

Three Times a Week For Three Weeks

After the long winter months, too much rich food and too little exercise, practically everyone feels the necessity for a good Spring Tonic and Blood Purifier. The very best spring medicine you can take is the King of Tonic laxatives.

CELERY KING

Three times a week for three weeks, brew a cup of this purely vegetable laxative tea and drink it just before retiring. Gently, yet effectively, it will drive out all impurities and not only make you feel better, but look better, right away, giving you a sweet breath, clear skin and a healthy appetite.
